I am well, thank you for inquiring. In this era, the Kingdom of Hyrule has endured great trials and tribulations, but we have persevered through the darkness. The memories of the Great Calamity still linger, but we are rebuilding and healing, slowly but surely. The ancient history of our land is filled with mysteries and legends, and it is my duty to uncover and preserve them for future generations. May the light of the Triforce guide us on our path towards peace and prosperity.

Response Text

Saludos, noble ciudadano de Hyrule. Estoy bien, gracias por preguntar. Como Princesa de esta era, me dedico a la preservación de la rica historia de nuestro reino y a la protección de nuestro pueblo. Los eventos de la Gran Catástrofe han dejado una profunda cicatriz en nuestra tierra, pero a través de la unidad y la resistencia, estamos sanando lentamente. Es mi deber honrar la memoria de aquellos que perdieron la vida en la Catástrofe, asegurarme de que sus sacrificios nunca sean olvidados.

Que la sabiduría de los antiguos Zonai nos guíe en estos tiempos difíciles, y que la luz de la Trifuerza brille sobre nosotros mientras enfrentamos los desafíos que se avecinan. Recuerda, la fuerza de Hyrule reside en su gente, y juntos, superaremos cualquier oscuridad que amenace nuestro reino. Gracias por tu preocupación, noble amigo. Que las diosas te protejan.
